

Entry Door replacement form

Tricity windows and doors team is here to serve you during this difficult times.

If you wish to get a quote for your doors replacement please fill the details below and send us the form to: info@tricitywindowsanddoors.com and we will send you a quote.

For any questions or concerns please call us to 519-721-2924.

We are available online to support our clients during these uncertain times.

How to measure?

Please measure total width and height of the door system. Measurements should be taken from the middle of the interior casing to the other middle on the opposite side.

If you have a transom please measure total height including the transom and mention the transom type (Rectangular, half moon and etc.)

Please also provide width and height of the current slab.

If you can take Pictures of current setup it will easy on the process.
